AGREEMENT

Among

BROWARD COUNTY

and

TOWN OF DAVIE, FLORIDA

and

SOUTH POST, INC.

Relating to

THE ISSUANCE OF BUILDING PERMITS
WHILE PLATTING IS IN PROGRESS

This is an Agreement between: BROWARD COUNTY, a political subdivision of the State of Florida, its successors and assigns hereinafter referred to as "COUNTY," through its Board of County Commissioners;

AND

TOWN OF DAVIE, FLORIDA, a municipal corporation, organized and existing under the laws of the State of Florida, its successors and assigns, hereinafter referred to as "TOWN;"

AND

SOUTH POST, INC., its successors and assigns, hereinafter referred to as "DEVELOPER."

WITNESSETH:

WHEREAS DEVELOPER, is the owner of a certain parcel of land, described in Exhibit "A" attached hereto and known as the South Post Plat, Plat No. 017-MP-00 (the "Plat") (Lot N/A) located on Shotgun Road, and situated within the Town of Davie, on which parcel of land DEVELOPER contemplates the construction of 308 detached single family homes as shown on the site plan; and

WHEREAS, the Plat was approved by the Board of County Commissioners on _____, 2001; and

WHEREAS, DEVELOPER is now desirous of obtaining building permits from the TOWN so that DEVELOPER may construct 75 detached single family homes as shown on the site plan; and, hereinafter referred to as the "Improvements," within the boundaries of said Plat; and

WHEREAS, the TOWN may not ordinarily issue building permits to DEVELOPER for construction of said Improvements within the boundaries of the Plat (I of N/A), prior to recordation of said Plat; and

WHEREAS, on _____, 2001, the COUNTY authorized the issuance of building permits by the TOWN to DEVELOPER for construction of said Improvements within the boundaries of the Plat (I of N/A), prior to plat recordation;

WHEREAS, DEVELOPER shall be required to pay actual or estimated impact fees to the COUNTY for the Improvements which DEVELOPER wishes to construct prior to the issuance of the building permits by the TOWN; and

WHEREAS, the COUNTY requested and DEVELOPER agreed that, prior to the issuance of building permits, the parties shall enter into an Agreement setting forth specific conditions applicable to the issuance of such building permits; and

WHEREAS, this Agreement will facilitate the construction of the Improvements within the boundaries of the Plat (I of N/A), by DEVELOPER during the time that preparation for the recordation of the Plat of the property is proceeding; NOW, THEREFORE,

IN CONSIDERATION of the promises and mutual covenants hereinafter contained, the parties do agree as follows:

1. The above recitals are true and correct and incorporated herein.
2. The COUNTY represents to the TOWN that it does not object to the TOWN's issuance of building permits to DEVELOPER for construction of 75 detached single family homes (the "Improvements"), within the boundaries of the South Post Plat (I of N/A), prior to the recordation of said Plat, subject to the following conditions to assure compliance with the Broward County Land Use Plan:
 - (a) No building permit shall be issued by the TOWN unless and until DEVELOPER shall document payment of the impact fees which are due for construction of the Improvements, pursuant to Chapter 5, Article IX, Broward County Code of Ordinances, the Land Development Code; said impact fees may be estimated in those instances when the COUNTY is not able to determine actual impact fees at the time of issuance of the building permits; and
 - (b) No certificate of occupancy, which is complementary to the building permits, shall be issued by the TOWN unless and until DEVELOPER shall record in the Official Records of Broward County said Plat which has been approved by the Broward County Board of County Commissioners.

- (c) Should the DEVELOPER fail to record the Plat approved by the Board on _____, 2001, within eighteen (18) months of the date of approval, or otherwise allow the plat to expire, the building permits issued shall be revoked by the TOWN and any improvements constructed pursuant to such permits shall be removed within three (3) months of expiration of the current plat approval unless the plat is reapproved within three (3) months and recorded before expiration of the new approval. The COUNTY shall refund all impact fees paid for building permits where the improvements are demolished.
- (d) Conditions 2(b) and (c) shall appear on the face of the building permits issued by the TOWN. However, failure of the permits to so indicate shall not alter any terms of this agreement or the right of the COUNTY and the TOWN to enforce the terms of this agreement.
3. The TOWN agrees that any building permits issued for the construction of said improvements will be issued in accordance with Paragraph 2, and the TOWN reserves the right to evaluate DEVELOPER's application for building permits for compliance with all existing laws, ordinances and regulations controlling the issuance of building permits for construction within the TOWN. The issuance of building permits shall be at the discretion of the TOWN.
4. Nothing in this Agreement shall prejudice the COUNTY's right to impose conditions on approval of the Plat covering the lands described herein which are required by COUNTY plat ordinances and regulations or are otherwise necessary to insure the public health, safety, and welfare of the residents of Broward County.
5. DEVELOPER agrees not to occupy the Improvements unless and until a certificate of occupancy has been issued.
6. In those instances when estimated impact fees are paid they shall be adjusted at the time of Plat recordation and any underpayment or overpayment shall be taken into consideration.
7. The DEVELOPER assumes the risks associated with constructing the Improvements prior to plat recordation. The issuance of the building permits before final plat recordation shall not be considered by DEVELOPER, the COUNTY or the TOWN as a grant to DEVELOPER of any vested right whatsoever for the use, occupancy, or completion of the construction of Improvements within the boundaries of the Plat (Lot N/A), nor shall the COUNTY or the TOWN be deemed estopped from enforcing the terms of this Agreement because of the issuance of the building permits or construction completed pursuant to such permits. Furthermore, if the presently approved plat expires without the plat being recorded, the DEVELOPER shall be required to meet all land development regulations in effect at the time the new plat is submitted and shall be subject to new concurrency determinations.
8. This Agreement shall be recorded in the Public Records of Broward County, Florida, at the DEVELOPER's expense. Recordation of the South Post Plat shall be an automatic release of the obligations of DEVELOPER set forth herein.
9. APPLICABLE LAW AND VENUE. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Venue for litigation concerning this Agreement shall be in Broward County, Florida.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the respective dates under each signature: BROWARD COUNTY through its BOARD OF COUNTY COMMISSIONERS, signing by and through its Chair or Vice Chair, authorized to execute same by Board action on the _____ day of _____, 2001; the TOWN through its Town Council, authorized to execute same by Town Council action on the _____ day of _____, 2001, and DEVELOPER signing by and through its _____ duly authorized to execute same.
